Program outline

The Women's Health Education Program for GPs covers the topics listed. Each theme consists of eight evening sessions.

What does the program cover?

The program covers two themes:

1. Antenatal Shared Care
   21/04/2015 – 16/06/2015

2. Office Gynaecology and Reproductive Health
   04/08/2015 – 22/09/2015

Who is the course suitable for?

The program has been designed to cover topics of relevance to non-procedural GPs, GP registrars, junior medical staff from KEMH and other doctors. Midwives and nurses working in women's health, as well as practice nurses, are also welcome to attend. Videoconferencing is available via Scopia for rural and remote participants.

When and where is the program held?

When: Tuesday 6.20pm - 8.30pm (excluding school holidays). Each session starts with light refreshments at 6.00pm

Where: Agnes Walsh House Lounge
King Edward Memorial Hospital
374 Bagot Road, Subiaco

Antenatal Shared Care: Program Topics

☐ Antenatal care including the GP’s role and birth options
☐ Common medical diseases in pregnancy
☐ Fetal anomaly screening and genetic counselling
☐ Common infections in pregnancy
☐ The fetus at risk and perinatal loss
☐ Use of drugs during pregnancy, lactation and Women and Newborn Drug and Alcohol Service (WANDAS)
☐ Obstetric problems and maternal mortality
☐ Postnatal care of mother and baby

If you wish to attend individual sessions please tick the appropriate box/es.

Who presents the program?

The presenters are doctors and other health professionals with expertise in the topic area. The dates for each topic will be confirmed at a later date depending on speaker availability. Organisers reserve the right to change the program and every effort will be made to notify participants of changes.

To register, please complete the form on reverse.

**Please book early as places are limited**
