ABORIGINAL MATERNAL AND CHILD HEALTH CONFERENCE  
“Working together to Close the Gap - Building on success for the future”

29th & 30th May 2013  
Duxton Hotel, 1 St Georges Terrace, Perth

INVITATION

The Aboriginal Maternity Services Support Unit and the Aboriginal Child Health Project invite you to join them at the second Aboriginal Maternal and Child Health Conference, to be held at the Duxton Hotel, Perth on 29th and 30th May 2013.

The conference is an opportunity for those who work with Aboriginal families to share stories and highlight evidence of progress towards Closing the Gap in Aboriginal maternal and child health. Hear about what works from the people who are “on the ground” and celebrate the positive achievements in improving health outcomes for Aboriginal families.

If you have a program, service, policy, research or community engagement strategy that makes a measurable difference to Aboriginal maternal and child health, we would like to hear from you. You may choose to share your story in the following ways:

- Abstract (15mins)
- Workshop (30mins)
- Poster (A2 size)

For details about how to submit your abstract, see the Call for Abstracts or contact AMSSU on amssu@health.wa.gov.au or 9340 1555.

WHO SHOULD ATTEND?

Anyone who is involved in delivering Aboriginal maternal and child health services:

- Aboriginal Health Workers
- Allied Health Professionals
- Child Health Nurses
- Community Health Nurses
- Early Years Officers
- General Practitioners
- Medical Officers
- Midwives
- Neonatal Nurses
- Obstetricians
- Outreach Officers
- Paediatricians
- Program Managers
- Remote Area Nurses
- Social and Emotional Wellbeing Workers

Display Submission Close 12 April 2013

REGISTRATION

Registration Open 3 December 2012
Registration Close 12 April 2013

There is no charge to register for this event, but places are limited and applications to attend will be assessed by the Organising Committee. Priority will be given to applicants who are involved in direct Aboriginal maternal and child health service delivery.

All authors of accepted abstracts will be required to register for the Conference.

If you need assistance with registering for the Conference, please contact amssu@health.wa.gov.au or phone 08 9340 1555.

Please note, registrations close Friday 12 April 2013.
